Blog entry

My Friday getaway in Amsterdam

Last weekend me and my uni friends were talking about how we wanted to hang out more and get to know more places in The Netherlands, so we decided to go to Amsterdam for a day. It was very fun, we met very early in Den Haag central and headed to Amsterdam.

We hung out in front of the Van Gogh museum where there was some nice live music, then we walked around the canals and found some nice spots to take pictures, kept walking towards a street start we found out the art was taken away from it and it was disappointing but after that we had some nice brunch in a bistro in city center, which was awesome.

I really love hanging out in The Netherlands but one thing I didn't like about Amsterdam is that I always fear being ran over by biking tourist. Other than that, I'm in love with that city.
